Course Number: _____ **or Degree Plan(s):** **Kinesiology- Coaching Minor**

Current: KINE 372- Exercise Physiology is required in the Coaching Minor; PSYC 342- Applied Sports Psychology is required in the Coaching Minor

Proposed: Add KINE 352- Human Exercise Physiology as a menu item with KINE 372; Add PSYC 388- Teams and Team Leadership as a menu item with PSYC 342

Rationale: KINE 352 is a new version of the KINE 372 class that is aimed towards Kinesiology students who are not in the Pre-PT or Pre-OT tracks. KINE 352 is only offered in the Spring, so we would like students to be able to take either class; PSYC 388 offers students another option for a Psychology course that meets the outcomes of the Coaching Minor.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
