Course Number: **FAM 365 Research Methods**

We would like to move FAM 365 to the fall semester. To increase student research opportunities and prepare students for graduate education, the department would like to create a research practicum course. Students would then take FAM 365 Research Methods in the fall and would write a research proposal. They would then conduct the research in the spring in the Research Practicum course, which is under development.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs

must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
