

Abilene Approval Chart for Curriculum Changes

A = Approve I = Information Item R = Respond In Writing

Course Number: _____ **or Degree Plan(s):** Nursing, BSN (RN to BSN Post-licensure track only)

Closure of the Post-Licensure RN to BSN track (NURO) only. The pre-licensure BSN and pre-nursing will remain. The closure of the track due to it being a track with the BSN (traditional program) will go through UAUC while the closure of the courses (NURO) delivered through ACU Online will go through CGPS council.

Rationale: There has been limited interest/enrollment in this track since its inception. There was only 1 student that could be possibly affected, but she has not been enrolled at ACU in over a year.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
