Course Number: _____ **or Degree Plan(s):** Accounting - Analytics track

Explanation: These revisions are to accommodate recent changes in the requirements to sit for the CPA exam, as determined by the Texas State Board of Public Accountancy. ENGL 326 is no longer required; Ethics (new ACCT 322) has been taught at the graduate level, but is being moved to the undergraduate level to accommodate students who choose to sit for the CPA exam with only an undergraduate degree. Separately, the COBA faculty voted to remove ENTR 120 - Foundations of Entrepreneurship (1 credit hour), from the Business Foundations menu. It is now moved to a menu in the Accounting Core, where students have an option to take ENTR 120 or FIN 120 - Introduction to Finance. Also, another menu is now available to ACCT majors for their capstone course: MGMT 439 - Strategic Management, or FIN 489 - Advanced Financial Management.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
