Course Number: _____ **or Degree Plan(s): Integrated MACC**

For students who enter the integrated program, we are increasing the number of graduate MACC hours that may substitute for undergraduate business electives from 6 to 9. This is consistent with the new Professional Accounting track's allowance for MACC hours.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.

The Integrated Plan requires 152 hours of course work and satisfies the 150-hour regulations for students wanting to take the Uniform CPA exam a total of 150 hours to satisfy the requirements of the undergraduate and graduate degrees.~~

Students should take note of the following provisions of the Integrated Plan:

1. Entry into the plan is by application and must be approved by the department chair.
2. A student's BBA degree will not be awarded until satisfactory completion of 15 hours in the MAcc program.
