June 2013

Dear Dr. Barbarick,

KUDOS TO YOU! I am pleased to inform you that you have been recognized by one or more of your students this past year as having made a distinct difference in their lives.

This recognition stems from a questionnaire that scholarship recipients complete along with their gratitude letter to the donors of the endowments that funded their scholarship(s). Embedded in that questionnaire is a statement for them to complete that reads, "An ACU Professor who has impacted my life in extraordinary ways is..." and that's where YOUR name was mentioned; this is what they wrote:

"Dr. Barbarick, my Bible professor this semester, has probably made the greatest impact on me. In our class, we have been taught to analyze the gospels and their meanings from the perspectives of the original audiences. He has helped me to remove the Western lens that I used to view the ministry of Jesus through and to see it as it was written." – Dominique Rideout

I can't think of a higher compliment than to have one of your students applaud you straight from their heart. It is clear that you are doing exactly what God intended. ACU is extremely blessed to have you representing Christ's love to students on this campus.

Thank YOU for being an important part of "The ACU Difference".

With sincere appreciation,
