II. Ed.D. – New Courses (Action)  

Bruce Scott presented.  

LEAD 701 – Dr. Jon Camp is SME. This course is meant to intro students to Ed.D. I want to enculturate students to advanced academic writing as a scholar practitioner. Designed for practitioners. Introduce 3 terms; vocation, organizational culture and practice. Welcoming students into a community of practice. One outcome and five competencies. Those competencies are in line with what I've shared so far.  

LEAD 711 – Dr. Craig Carroll is SME. Survey course of OL thought. SLOs developed by Jon, Jaime, Bruce, Carley, Jason, Tom and Garry for entire program. Focused on pieces of those SLOs.  

LEAD 714 – Dr. Jeff Houghton is SME. Houghton helping student self access leadership styles. Tools in the course to have leadership plan. Jon in 701 introduces dissertation process. Partner with dissertation advisor. J. Goff – Appendices detailed with assignments. Reading.  

S. Johnson-Comments 701?  
J. Cardot – structure of organization set up with 7 modules for 7 weeks. Final week?  
B. Scott-Week 8 for instructors.  
J. Camp–some have 6 modules.
