Notification of the closure of the Bachelor of Science in Digital Media program. The decision to close the program was effective January 7, 2022 and notification for approval from SACSCOC to close the program was subsequently made. The program closed due to limited interest and did not impact any students. The program director was notified that his contract would be honored through May 31, 2022 but not renewed. He was given release time to seek other employment. Two enrolled students elected to enroll in another online bachelor's program with ACU online. Both students were early in their programs and their coursework was accepted as general education courses or electives.
