MEMORANDUM

Date: September 15, 2022
To: ACU CGPS Academic Council
From: Dr. Alline Sada
Re: Course level student learning outcomes for EDUO 683

Because the CORE courses for the MEd for Instruction and Learning are rather old, there are not updated course-level student learning outcomes. This memo is to document the associated course-level student learning outcomes for the course:

Student Learning Outcome
Students will be able to interpret or apply skills related to action research.
Students will be able to examine their own research skills.
Students will be able to communicate concerning their research focus.
Students will be able to evaluate action research plans.
