MEMORANDUM

Date: September 15, 2022
To: ACU CGPS Academic Council
From: Dr. Alline Sada
Re: Course level student learning outcomes for EDUO 687

Because the CORE courses for the MEd for Instruction and Learning are rather old, there are not updated course-level student learning outcomes. This memo is to document the associated course-level student learning outcomes for the course:

Student Learning Outcome
Students will be able to analyze data for strengths and challenges.
Students will be able to correlate data to develop a theory of improvement for student learning and student performance.
Students will be able to compose school improvement plans using the Effective Schools Framework.
