- **Move EDUO 688 - Creating Effective Learning Environments** Credit Hours: 3
- from core to track. This makes the core 12 credit hours and all tracks 18 credit hours, for a total of 30 credit hours.

Rationale: Changing the credit hours for the core and track is a practical approach to allow ACUD to create/tailor programs that better meet the Texas Education Agency (TEA) code for teacher preparation and SACSCOC credentialing criteria..

TEA recommends programs include 18 hours of graduate-level, initial teacher certification course work. Following completion of the initial 18-hour teacher certification, students are eligible to apply for state teacher certification. Once certified, they are eligible to work as teachers while they complete their degrees in the evenings, online, or summers at either campus.

Additionally, SACSCOC standards (Standard 6.2.a.b). Most licenses require educators to have a content focus of 18 hours to be credentialed to teach at a secondary level.
