

Abilene Approval Chart for Curriculum Changes

A = Approve I = Information Item R = Respond In Writing

Course Number: NUTR 620 Dietetic Internship or Degree Plan(s): M.S. in NUTR/Dietetic Internship

NUTR 620 Dietetic Internship was a repeatable course for a total of 6 hours but was split into four 1.5 hour courses to fit within the ACU Dallas 7-week semesters. Those courses are in the 2023-2024 catalog and are NUTR 651 Dietetic Internship I, NUTR 652 Dietetic Internship II, NUTR 653 Dietetic Internship III, and NUTR 654 Dietetic Internship IV. NUTR 620 Dietetic Internship was never deleted from the catalog, so that is the request of this approval chart. It is not currently in any degree plan, and no students are in the course.

30.	Comprehensive revision of General Education Requirements	-	-	-	-	A	A	A	A	I

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs

must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
