A = Approve I = Information Item R = Respond In Writing

Course Number: PSYO 233 or Degree Plan(s):

The following is a request led by the Abilene campus. We agree with this change.

Abilene is requesting that all prereqs (BIOL 101 or 121/123 or 203) be removed as the prerequisites for PSYO 233. Currently, the Abilene majors are struggling to get into BIOL 101 (due to seat limitations) causing a delay in taking PSYC 233, which affects moving through the degree plan in a timely manner. Students who have been enrolled in PSYC 233 without BIOL 101 have been successful, so the department has determined that these prerequisites are not necessary.

Notes

¹ Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

² For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

³ When a program faculty or dean proposes closing a program, approval routing follows the typical process beginning with the program. A proposal by campus academic administration or senior vice president for academic affairs would follow the "proposed by the Senior VPAA" routing on the chart.
