**CSART Scholars  
Scholarship Application  
2021-2022**

CSART offers up to two Graduate Scholarships each year. CSART Scholars are expected to participate in the work of the Center and to be involved in special activities sponsored by the Center. Scholarships are renewable for up to three years.

**Requirements:**

An applicant must be a full-time, residential student in ACU’s Graduate School of Theology, enrolled in the MAOT, MANT, or MAAOC degree program. “Full-time” is at least 9 hours load per semester. Students may also be enrolled in additional GST degree programs (e.g. MDiv).

To receive financial aid in the GST applicants must: 1) successfully apply to the GST, 2) complete the online Financial Aid application to the GST, and 3) submit an additional CSART Graduate Scholars application to the Director of the Center (csart@acu.edu). *CSART scholarship applications should be submitted two months before the semester in which a student plans to enroll.*

Scholarships are awarded on an annual basis and are reevaluated at the end of each school year. Student GPA and the student’s participation in the work and activities of the Center will be the most significant considerations in determination of renewal.
