

Graduate Council
CBS Dean's Conference Room
May 12, 2015

Welcome – 11:45

Prayer – Stephen Johnson

I. Announcements:

S. Johnson - Joy Powers transitioning to ACIMCO. Dr. Goff – has been serving in a dual role as chair of MFT and will leave council seat and become Dean of Grad programs in Dallas.

Council – review of expiration of terms on Provost website.

Minutes

II. MSOT – Hope Martin presented

Courses students will be taking this Fall.

OCCT 635 – Main pediatric course. 3 hour lecture and 3 hour lab. Taught by Dr. Catherine Candler. Several assessments specific to pediatrics.

Questions?

Motion – Terry Baggs

2nd – John Neill

Favor – all

OCCT 661 - Hand Therapy. Donna Walls and I are certified hand therapists in our field. Will learn upper extremity anatomy. Hardin Simmons has allowed us to use their cadaver lab.

B. Scott – unique to have two hand specialists on faculty?

H. Martin – unique and rare. CHT certification difficult.

S. Johnson – Questions?

J. Cardot – per Lauren Lemley typo in scripture.

Motion – Joe Cardot

2nd – Karen Maxwell

S. Johnson – should this read “with lab”? OCCT 635 did.

H. Martin – yes, probably should.

Favor – all

OCCT 695 – Component of OCCT 635. Pediatric fieldwork class with lab.

S. Lewis – 13h - 2 hour course, 1 hour lecture?

H. Martin – yes, should be there rather than 13j Internship.
J. Cardot – per Lauren Lemley grading section correction, cut and paste comment.
B. Scott – yes.
H. Martin – OK.
Motion – Jaime Goff
2nd – Terry Baggs
Favor- all

OCCT 735 – Research in OT II. Accrediting body wants two sections. One evidence based research and second class will do project first 6 weeks I will teach how to do project. Second nine weeks divided between myself, Dr. Candler and Dr. Tekell. ACOTE requires students be mentored by faculty. Students will complete project with one of those mentors.

B. Scott - Pg. 3 all caps required by ACOTE
H. Martin – ACOTE standards.
S. Lewis – statistics prerequisite for program?
H. Martin – yes
S. Johnson – this is 700 level course
H. Martin – Yes, as of 2025 all will be doctoral level.
Motion – Karen Maxwell
2nd – John Neill
Favor – all

III. PSYC – Bob McKelvain (information)

Accelerated Professional Psychology Degree Plan –

UUAC count up to 24 graduate hours toward student's BS Psychology. This doesn't change our graduate program. Allows for more integrated undergraduate/graduate experience. Provides economic and time advantage.

S. Johnson – degree longer than has been in past
B. McKelvain – MS counseling changed to 60 hours
S. Johnson – helps students
T. Sensing – younger student into Masters program and how does that effect in terms of their maturity?
B. McKelvain – students come in all maturity levels
G. Bailey – current changes, faculty discount?
B. McKelvain – understanding UG taking elective hours covered in block tuition.
G. Bailey – can take 24 hours of Grad
S. Lewis – Formatting issues. Form has not been updated with UAAC required, good for those changes to be reflected on blog so that people using as a model understand what final vote taken on. Suggest correct and repost on blog
B. McKelvain – agreed
S. Johnson – any other questions?

IV. Interim Dean & Council Work - Dr. Snider & Dr. Scott

Dr. Snider: Serving as Dean of both colleges 6-9 months. Dr. Scott serving as interim Associate Dean. Tag team graduate council. Joy's job is posted. Hope to have filled within the month. I didn't realize some of you are rotating off in 2015. Will email Dean or Chair to see if you want to be reappointed. Stephen, it is my understanding once the Dallas campus is up and functional it will have its own academic council and the online programs will flow through there. In time, this council will focus only on residential programs. Depending on that timing, we may need to have 1 or 2 summer council meetings. If so, I think we can do it virtually.

Dr. Scott: It's called a "canvas group."

Dr. Snider: We've put everyone into the course. Shell for discussion. Still use blog to post. Send you emails that something has been posted regarding a course. After discussion, we would post agenda with option to vote after each item. Figuring out how to do motion and second. May put under consent agenda. If further discussion required we can do that. My hope is we won't have to meet at all. If we do, this would be most convenient way to do.

Does everyone agree on this to get through the summer? Fall continue as usual – may move to CEHS conference room.

Dr. Scott: Explanation on how Canvas will work for Council.

Adjourn 12:30

Attendees

Garry Bailey

Joe Cardot

Jon Camp

Bob McKelvain

Terry Baggs

Andrew Huddleston

Karen Maxwell

Hope Martin

Becky Hammack

John Neill
