

Dr. D,

Thank you for being
there for me when
I didn't think I
could make it. You
not only taught me
the beauty of physics,
but also, the beauty
in not being perfect.
You truly are a very
wonderful person!
With all my heart,
to you & your family,
Merry Christmas! ☺

Nikolai Ears

P.S. I told my
interviewer that if I
could go back & redo
one thing, it would
be to become a
physics ^{minor} ☺
may all
the joys
of the
season be
yours
