Dear Judy,

I just wanted to touch base and confirm our upcoming visit. The Historical Methods class (nine students - perhaps eight by then; I have one student who may drop this week) will come to visit the Grace on October 10, about 9:45-10:45 or so, to tour the collection vault, prep areas, and history exhibition and to hear from you and your curatorial staff about your roles. I will simply have the students meet me there. Is there anything that I should relay to them regarding parking, or things of that nature? Is there any further information you need from me?

The students are very much looking forward to the visit. Several of them are specifically interested in careers in museumwork.

I know that, in the past, the Grace has offered an internship to students in the spring semester. If you'd like to use this time to talk that up to these students, you are certainly welcome to do so. I think several of them would be a good fit for you.

I look forward to seeing you next week!

best regards,
Kelly
