Course Number _____ or Degree Plan(s) _____ all DBMM majors _____
 State the requested change and reason. A memo may be attached if more space is necessary.

The DBMM faculty propose an Integrated Degree Plan that would allow DBMM majors (either Bible & Ministry or Ministry & Vocation) who qualify for provisional admission to the GST to take up to 12 credit hours of GST courses in their senior year that would count as dual credit for both a master's degree in the GST and a bachelor's degree in DBMM.

Two attached documents explain the rationale for and terms of this Integrated Degree Plan and show two models for how a student might move through the integrated plan. The first model shows a Bible & Ministry major (e.g. Biblical Text or Biblical Languages) + MDiv. The second model shows a Ministry & Vocation major (e.g. Youth & Family Ministry) + MACM. The proposal would be open to any qualifying DBMM major who wished to integrate her/his bachelor's degree with the MDiv or the MACM.

Note that this proposal does not affect the master's degree curricula in any way. While GST faculty support the proposal, the proposed program changes will affect only the BA program in DBMM.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.
