Re: Review of KINE477: Therapeutic Exercise

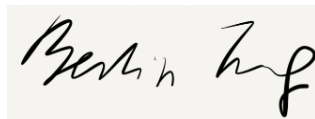

Dear Professor Ybarra,

Thank you for submitting the syllabus for KINE477: Therapeutic Exercise. I reviewed the syllabus based on the ACU application requirements. I find the syllabus to meet all requirements.

This letter is not meant to be a final approval in the course application process. Your department chair and members of the council may have questions or comments of their own.

Thank you for allowing the Adams Center team to review your course application. The instructional design team would love to work with you on your syllabus, as well as the design, development or revision of this and other courses. If there is anything else we can do to help you, please feel free to let me know.

Sincerely yours,
