Re: Review of PEAC101: Fitness in Action

Dear Dr. Hart,

Thank you for re-submitting the application for the new course PEAC101: Fitness in Action. Thank you for taking the suggestions in my earlier letter (dated December 5, 2013) into consideration as you revise the syllabus. I checked the syllabus again. I think it meets the syllabus requirements set in the guidelines.

Again, thank you for allowing the Adams Center team to work with you in preparing the syllabus. If we can serve you in any other way, please feel free to let me know.
